

BrushHound 50EX HD Heavy Duty Brush Mower

Mulch & shred heavy material quickly

2,200 pounds and designed for maximum professional brush clearing durability. Built with 250 hp components such as the cutter drum that is over 1/2" thick, mounting ears that are 5/8" thick, end plates that are 3/4" thick and the abrasion resistant AR plate shroud of 3/8". This machine is designed to withstand the forces from a 10-30 ton sized excavator. The result... more profitable severe duty production brush mower.
